Re: 52 Lara Way Campbellfield.

Dear Ben,

This is just a word of thanks for the job well done at the above mentioned project.

As a builder and a developer, is not often you see well organized and managed groups of individual in a same team, it's a credit to you and the rest of the team.

I was happy to see the tasks completed well and on time, please pass on my personal thanks to the team, and thank every one for the work that they preformed.

I am looking forward to the future projects and opportunity to work with you again.

All the best and keep-up the good work.

With Regards
